A tender etch or kit if not in stock will take at least 6 weeks to complete from date of order.

STANDARD TENDER KITS

SCRATCH BUILDERS KIT. We can supply the sheet metal as a brass etching, with an instruction booklet. You will have to find the screws, castings, wheels etc. **£88**

BASIC KIT. Brass etching & Instruction booklet with all details to make an empty, rolling tender. Brass or whitemetal castings are used for the air vents, brake stanchions, tool boxes, scoop domes and axlebox guards. Tender wheels are cast iron . All bushes, screws, springs included. **£269**

COAL FIRING KIT. As per the basic kit but with additional handpump, bypass control and plumbing. **£330**

SPIRIT FIRING KIT As per the coal kit but provided with the additional meths fittings required. **£372**

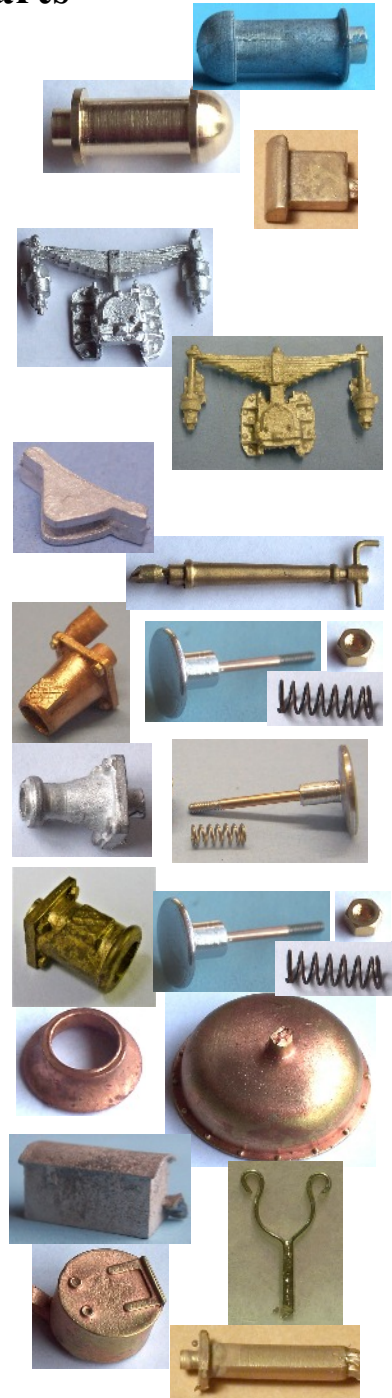

For post and packing **add £30**
